This 2015 home has a split floor plan on the main level w/ a master en-suite & 2 bed/2 baths. Downstairs is an additional living space, 2 bed/1ba. The bottom level is on grade. Three car garage & 2900 SF in main home. Huge great room with vaulted ceilings. Vaulted ceiling in the master. Lovely kitchen w/a pantry. Mountain views from the living area & the master. Huge multi-leveled deck out back.

An attached yet detached MIL, separated by 4 garage bays, this ranch style 1100 SF apartment that has a private deck and separate garage. Ideal for multifamily situations or anyone wanting additional income. The entire backyard is fenced (1/2 of an acre or so) with a nice garden shed and mostly cleared but with trees for privacy on one side. Lovely for pets or other desired animals. New carpet on steps and downstairs bedrooms. Come see this wonderful home for yourself!
